Re: Advisory Opinion No. 05-1987

Dear Senator Dorsey:

Your letter dated April 1, 1987 to the New Jersey Election Law Enforcement Commission requesting an advisory opinion has been considered by the Commission and I have been directed to issue this response.

After consideration of the matter, the Commission has decided to adopt a proposed regulation which will require the identification of sources within the categories of fees or of commissions, where the total receipts during the year from the source is more than 5% of receipts from all sources within that category, or is greater than \$10,000. A copy of the text of that proposed regulation is enclosed.

There will, of course, be a public hearing with respect to the proposed regulation, and the Commission would welcome your comments at that time.

Very truly yours,

NEW JERSEY ELECTION LAW
ENFORCEMENT COMMISSION
