***N.J. Election Law Enforcement Commission***

**Contact:** SCOTT A. WEINER  
(609) 292-8700

**For Release:** IMMEDIATELY  
October 21, 1983

The Election Law Enforcement Commission has released the names of 238 candidates in the 1983 primary election who were reprimanded or fined for failure to comply with the Campaign Contributions and Expenditures Reporting Act.

The reprimands and fines were imposed for late filing of Sworn Statements with the Commission. The Sworn Statement (Form A-1) can be filed when the total amount to be expended on behalf of the candidacy by the candidate or any supporting political committee does not in the aggregate exceed \$1,000. The statements must be filed by the 25th day preceding the election, and are in lieu of the more detailed campaign reports that are required of candidates expending more than \$1,000. The filing deadline for the June 7, 1983 primary was May 13, 1983.

The reprimands and fines being announced today were adopted by the Commission at its meeting of September 19, 1983. Final Decisions have been mailed to all candidates. The publication of this list is part of revised Commission procedures, begun with the 1978 primary election, designed to foster compliance, enhance disclosure and make enforcement more effective.

All candidates are notified by the Election Law Enforcement Commission of their reporting obligation. Candidates that failed to timely report are again notified that reports have not been received. The Act gives the Commission broad authority to initiate enforcement actions against such committees, candidates and treasurers, including civil enforcement and imposition of monetary penalties.

Factors considered by the Commission in levying fines include the number of days the filing is late and any previous violations that are on record with the Commission. In some cases, the Commission has imposed fines with two figures, for example "\$50/25." This means that the Commission has imposed a fine of \$50.00, which will be reduced to \$25.00 if payment is received within 30 days after service of the Final Decision. Also, in some cases in the "days late" column, there is the term "post comp." which means that the Sworn Statement (Form A-1) was filed with the Commission only after the issuance of the Complaint.

Copies of the Complaints and Commission Final Decisions are available at the Commission offices at the National State Bank Building, 28 W. State Street Suite 1215, Trenton, New Jersey.
