Monday marked the seventeenth date on which candidates could make application for public matching funds. To date a combined total of \$2,275,553.06 in contributions raised (less refunds) has been indicated by candidates making application for public matching funds.

The New Jersey public financing program provides that each dollar of a contribution be matched with two dollars of public funds after a candidate has raised and spent a minimum of \$50,000.00 in contributions of \$800.00 or less. The maximum amount that a qualified candidate can receive in public matching funds for the 1985 gubernatorial primary is \$643,572.40.

The submissions received Monday will be reviewed and the Commission will certify to the State Treasurer the amount each candidate is eligible to receive for the seventeenth submission period at its meeting on Tuesday, June 25, 1985.
