PRESS RELEASE

Frederick M. Herrmann, Executive Director of the New Jersey Election Law Enforcement Commission (ELEC), announced today that the Commission received an application for public matching funds from primary election gubernatorial Candidate Jim Wallwork.

This submission was the eighth for Candidate Wallwork. On the unreviewed submission, the candidate reported a net amount of \$14,776.30 in contributions submitted or resubmitted for match.

The New Jersey Gubernatorial Public Financing Program provides that each dollar of a contribution eligible for match is matched with two dollars of public funds after a candidate has raised and spent a minimum of \$177,000 in contributions of \$1,800 or less. The first \$59,000 of contributions submitted by a candidate is not matched.

According to Herrmann, the Commission has previously certified public matching funds in the amount of \$662,729.84 to Candidate Wallwork. If all contributions on this eighth submission are found to be eligible for match after Commission review, Candidate Wallwork will be eligible to receive an additional \$29,552.60 in 1993 gubernatorial primary election public matching funds.

The submission received today will be reviewed and the Commission will certify the public funds amount the candidate is eligible to receive at the June 18, 1993 Commission meeting. A check will be issued by the State Treasurer within a few days of certification by the Commission, and the Commission will deposit the public funds in a public funds account established for the candidate.
